Reading Evaluation

A Reading Evaluation will be done by a Benchmark teacher for each child attending the summer camp so that he/she may be placed in the appropriate class. The Reading Evaluation appointments will begin in March. Please be on time for your appointment, as the evaluators schedule many appointments each day. **Cancellations and rescheduling of appointments should be made at least 24 hours in advance (call 610-565-3741).**

Reading Information Questionnaire

The Reading Information Questionnaire should be completed by the child's current teacher (after February 15) and mailed to Benchmark before the Reading Evaluation or brought to Benchmark at the time of the Reading Evaluation.

Physician's Request Form
